13.00-14.00 Lunch

TRAVEL INFORMATION

We would like to confirm that the dates of the next Partners meeting in Chania will be on the 7th and 8th of September 2017.

The meeting will take place at the Conference Centre in MAICH and we will have coffee and lunch there.

MAICH premises are located approx. 3 KM from the center of Chania.

Regarding the accommodation there are three options for the participants as follows.

- A) The Royal sun hotel which Chris prefers located approx. 2-3 Km from MAICH.
- B) Staying in MAICH villas if there is availability.

These villas are built with traditional Cretan architecture located next to the conference center and you can have an idea visiting the web site of MAICH and if you like you can make a reservation on line.

- C) Staying in a Hotel either in the city of Chania or few Km away in a nice beach (in the case that somebody is accompanied with his/her family).

Concerning the means of transportation in order to come in Chania the most convenient one is by plane.

In the island of Crete, there are two airports, one in our Prefecture, in Chania (15 minutes from our Institute) and the other in Heraklion, another prefecture of Crete, around 150km away from Chania.

In case you prefer the airport of Chania, the taxi costs around 25 euros from airport to our Institute or to the centre. There is also an option to take a bus that goes to the centre but there are not regular routes.

In case you select the airport of Heraklion, then either you should take a taxi that costs around 180 euros and it takes approx. 1,5 hour, or the bus that costs much cheaper, (around 15-20 euros) and it takes approx. 2,5 hours to come in Chania.

We are at your disposal for further information requested.
