

Programme

Day 1 - Energy efficiency:

Reception:

Day 2 - Resource efficiency:

09:15 - 10:00
Registration and coffee
10:00 - 10:30
What is the policy learning platform about?

Welcome by Interreg Europe

Welcome by and explanation of the Policy Learning Platform

10:30 - 11:00
Building an energy efficiency community

Meet new colleagues

11:00 - 11:30
Knowledge hub: Interreg Europe projects on Energy Efficiency

Getting familiar with the good practices, interesting approaches and policy from the Interreg Europe projects dealing with Energy Efficiency.

11:30 - 12:00
Coffee break
12:00 - 13:00
Thematic sessions: Good practices on energy efficiency

Each participant can choose one group:

- Rehabilitating buildings (BUILD2LC, REBUS, VIOLET)
- Consumers behaviour in energy efficiency and self-consumption (LOCARBO, ENERSELVES)
- Financial Instruments for renovation and energy efficiency (FINERPOL, EMPOWER, ZERO2CO2)
- Energy efficiency in housing (CLEAN, SOCIAL GREEN)

Each project will briefly present on their good practice followed by sharing further good practices and discussing what they have in common.

13:00 - 14:30
Lunch
14:30 - 16:00
Policy exchange sessions

The Policy Learning Platform is offering bottom-up services. Participants can try one of the services in real life:

- Peer-review - a possibility to ask colleagues' opinion
- Benchmarking - a possibility to rank similar practices and see how they compare
- Bottom-up workshop - a possibility to discuss in detail a topic of your choice

16:00 - 16:30
Coffee break
16:30 - 16:45
Expert helpdesk simulation

Experts answer the collected questions

16:45 - 17:15
Panel discussion

Invited experts from Commission and external platforms reflect on the issues raised and possibilities to exploit them, bring them or discussion in EU agenda or similar objectives

17:15 - 17:30
Closing conclusions and next steps
