

Interreg IPA CBC Programme Italy - Albania Montenegro

Targeted call for project proposals

Template for Expression of Interest (Eoi)

Organisation name in original language and in English

Comune di Campobasso
Municipality of Campobasso

Background and expertise

Please briefly present your organisation (e.g. its type, scope of work, areas of activity and if applicable, number of staff members). Max 750 characters.

Campobasso is the capital of the Molise Region with about 50.000,00 inhabitants. The Municipality is a local authority composed by different sectors: Cultural and tourist office, Financial and accounting office, Mobility office, Environmental office and territorial planning and European policies office. These offices work incoordinated method to carry out the aims of the projects. The new role of the Municipality as Urban Authority (Art. 7 Reg. ERDF 1301/13) has increased its capacity to plan local policies. As Urban Authority, Campobasso has defined its urban strategy with the following thematic objectives:

- provide SMART solutions to the city and citizens;
- reduce the energy consumption in the public building also with the use of renewable energy solutions;
- increase the quote of energy needs produced with integrated distribution system (Smartgrid);
- increase the sustainable mobility and intelligent transportation system;
- promote and valorise the natural, cultural and historical heritage;
- support the competitiveness of the local enterprises;
- improve the efficiency and the quality of the public services;
- increase the employment opportunity also with the creation of new businesses.
