| EURelations GEIE – EURelations EEIG |

| Background and expertise |
|--|
| <i>Please briefly present your organisation (e.g. its type, scope of work, areas of activity and if applicable, number of staff members). Max 750 characters.</i> |
| EURelations is an European Economic Interest Grouping (E.E.I.G.) established in 2002 by public and private Institutions such as SMEs, BSO, Universities, Research Centres, Municipalities, Schools, Advisory and Training Firms. Its main purpose is to promote and support actions related to local development in each of the members countries, designing and coordinating local, national and international projects under the main European Programmes, and participates as a partner in projects promoted by other European organisations. It has actively cooperated with institutions, cultural and artistic associations and local Authorities to promote exchanges in different European countries. |

| Profile of your organization |
