Background and expertise

Please briefly present your organisation (e.g. its type, scope of work, areas of activity and if applicable, number of staff members). Max 750 characters.

Sicurform Italia Group is a non-profit organisation founded in 2009 and licensed by Molise Region in 2010 as Education and Vocational Training Centre. Sicurform designs, organises and provides training courses and training pathways aimed at developing basic, transversal and specific skills (such as entrepreneurship, management, digital and language competences) with the aim to increasing the matching between competences required by the labour market needs by involving strong partnerships between the sector of education and the world of employment, in particular SMEs.

Ours main activities are:

- training pathways of specific economic and productive sectors
- design of curricular contents and methods
- innovation in training from the perspective of the European labour market
- involvement of the social partners in the implementation of training
- vocational guidance for continuing education for qualified personnel
- retraining for unemployed
- quality management in transnational mobility activities
