The “Consorzio di Libere Imprese” is:

an entrepreneurial subject, nonprofit, association among Cooperatives which better promotes qualification of the same through a network of contacts, partnerships and collaborations with other entities, both public and private;

A Cooperative association whose express purpose is to undertake the enhancement of people and their responsible participation in an economic activity.

The Consortium was established in December 2003 and since 2005 it's a cooperative consortium on a mutual association basis, NPO.

It proposes the promotion and dissemination of the culture of subsidiarity and solidarity, promoting cooperation, first and foremost, between the Cooperatives and Associations members of the consortium.

The main activities are directly addressed towards social services. Health and education carried out in relationship to sectors of the population that express the needs and necessities of vital importance or are subject to risks of marginalization, strengthening the cooperative movement and its non-profit associates along with other social enterprises.

Its' Mission and that of all its' members is the social integration of people through management of health and social services, care and education for children, the elderly, people with disabilities socially vulnerable with social fragilities or developmental conditions that impairs.

The best response to the needs and requirements are achieved through training and constant education of all qualified personnel; careful management that controls each contract; careful recruitment and selection of staff members in reference areas; established relationships with experienced personnel specialized in consulting and external agencies and offices.

The Consortium has a flexible organization able to respond to the required services and the diversified needs of people, through a management model always striving to improve and constantly monitoring. Its' cultural matrix attributes a role as tools for the affirmation of strategies on participated economy.
